Dec 10 – 14, 2018

today < >

Introduction to Problem Solving with Computers +

Using Data Structures +

Programming with Data Structures +

Programming Methodology +

Computer Systems Principles +

Reasoning About Uncertainty +

Introduction to Computation +

Calculus I +

Calculus II +

Multivariate Calculus +

Statistics I +

Introduction to Linear Algebra +

	Mon	Tue	Wed	Thu	Fri
8am	8:00 - 9:00 Programming with Data Structures		8:00 - 9:00 Programming with Data Structures		8:00 - 9:00 Programming with Data Structures
9am					
10am					
11am					
12pm					
1pm	1:00 - 2:00 Programming Methodology		1:00 - 2:00 Programming Methodology		1:00 - 2:00 Programming Methodology
2pm	2:00 - 3:00 Introduction to Computation		2:00 - 3:00 Introduction to Computation		2:00 - 3:00 Introduction to Computation
3pm					
4pm		4:00 - 5:00 Introduction to Computation		4:00 - 5:00 Introduction to Computation	
5pm					
6pm					
7pm					
8pm	8:00 - 9:00 Introduction to Problem Solving with Computers		8:00 - 9:00 Introduction to Problem Solving with Computers		8:00 - 9:00 Introduction to Problem Solving with Computers
